

Spring/Summer 2010

Dear Women's Ministry Director or Event Planner,

If its roots are deep enough, a tree can withstand just about any storm.

How about the women in your church and community? Can their faith withstand the tempest of these uncertain times?

Keep a Smile on Your Faith™ is a high-impact event designed to refresh women with the richness of God's promises and empower them to develop faith that will anchor them through any storm. As seasoned speakers, we guide women to grasp the basics of faith for themselves. Check out our five high-impact sessions (described fully online at www.debiandfawn.com/html/retreats.html):

- 1) Lift Up Your Eyes: *Why is faith so important to God?*
- 2) Send Down Your Roots: *How does mustard seed faith begin and grow?*
- 3) Stand on the Truth: *How do I reconcile feelings and faith?*
- 4) Stay by the Stream: *How do I stand fast when my faith feels dry?*
- 5) Stretch Out Your Branches: *How do I pass on a legacy of faith?*

Rooted in Scripture and woven with humor, these sessions are transformational. Lecture and fill-in-the-blank handouts are banned! Instead, we plow the ground for participants to engage and apply what they just experienced. Seated in small groups, women use personal journals, simple aids and creative prompts to process this dynamic content for immediate application.

Now the big question: What does it cost? We know budgets are tight today, but that's precisely why a message on faith is needed most now. So we're doing the unthinkable:

*By faith, we will **waive our \$3,000 speaking fee.***

In return, we ask for your best efforts at gathering women to attend, to have our expenses covered and to present the opportunity to receive a love offering. This may not only be the best budget news you've heard, but the retreat could also be the easiest you've ever hosted. With our Success Kit CD and personalized attention, this event is a virtual "retreat in a box" with much of the planning and work already done for you. Watch video clips and learn about the incredible assets we offer to event planners on our Web site — *but don't delay in securing your desired weekend!**

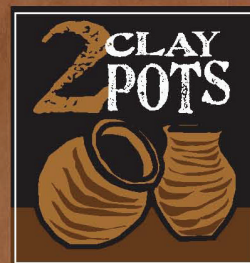

Please accept our special offer and **contact us today** at info@debiandfawn.com or 888.DEB.FAWN. When you do, ask about our Event Planners Overview to get you started.

Even better, check our online calendar and attend the *Keep a Smile On Your Faith™* event in person. Treat yourself to a replenishing road trip alone or with members of your team. Admission is always free, and there is high value in experiencing this amazing event before you host it. We would be delighted to set aside time to visit with you personally about *Keep a Smile On Your Faith™* during your trip. All you have to do is ask.

Smiling with you,

Debi Stack & Fawn Brents

*The event is available in a single-day format (all day Saturday) and a preferred two-day format (Friday evening and most of Saturday).
